

Dear Parent / Carer

As you will no doubt be aware, when the summer exams were cancelled, the Department for Education and Ofqual put in place measures, to ensure that students, who were due to complete a qualification this year, would still receive a grade. These results will be derived from the centre assessment grades and rank orders provided to the exam boards by schools.

As your son was due to take the written exam paper for his Hospitality & Catering qualification this summer, we felt it was important to update you on the latest developments.

Originally, it was decided that learners who were part-way through their qualification and due to complete in summer 2021, for example learners in Year 10 completing unit only assessments in summer 2020, would not be included in the process.

We wanted to make you aware that WJEC has since taken a decision to allow centres to submit centre assessed grades for learners studying their Level 1/2 Vocational Award qualifications who were due to take unit assessments this summer. This applies to your son, and therefore we have submitted grades to WJEC for the written exam paper element of his course, he was unable to sit in June.

To make sure that grades are fair between schools, exam boards are putting all centre assessment grades through a process of standardisation, and final grades will be issued on Thursday 20th August.

Although we would very much like to see all of the boys on the day, to help safeguard the health and well-being of our students, staff and community, we will only be inviting Year 11 students to collect their results from school. Your son will instead receive his result, via his school email.

Assuming there are no further disruptions or consequences to the COVID-19 outbreak, your son will have a further opportunity to sit this exam paper and the best grade will count towards the award of his overall qualification.

Kind regards.

Mrs H Duffy
